Dear Parent/Guardian

Re: New Uniform Supplier

As you are no doubt aware from our school newsletter we have appointed S. Simmonds and Sons Ltd to be the supplier for the new school uniform. With effect from September 2010 we expect the new uniform to be worn by the students in the new Year 7 and Year 9 (currently Year 8). Students in other years may of course make the transition if they choose to do so and parents should bear in mind that supply of the old uniform may well become increasingly limited. It will not be possible to mix and match the old and new uniforms and Simmonds will not be stocking the current uniform.

The new uniform is being offered **for this summer only** as a package to families and, irrespective of the student's size, a price of £100.00 will entitle you to a starter pack containing a Blazer, two Blouses, a Jumper and a Kilt (five pieces). It will be possible to buy additional items of uniform should you wish to do so. Styled blouses are in packs of two and all other items are sold singularly.

As we get closer to stock availability in the summer term we will liaise with parents regarding buying arrangements for the new uniform.

In order for Simmonds to gauge demand from families and students regarding the forward purchasing of the new uniform, it would be helpful if you would please complete and return the following slip to your daughter's Form Tutor by Wednesday 20th January. Please note that return of the slip **does not constitute an order and is merely to give an indication of demand.**

If your daughter is not in current Year 8, please be aware that if you do not express an interest now but later decide that you would like to purchase the new uniform there may be a delay in obtaining the relevant items.

I hope you find this a helpful way to plan.

Yours sincerely,

Dr D Noble
