7<sup>th</sup> September 2009

Dear Parents of Year 9 students,

Students in Year 9 will not be receiving a homework timetable this year as we believe that it will be beneficial for them to gain experience in organising their own time and prioritising tasks to meet deadlines as they begin some of their GCSE courses.

Listed overleaf is the homework time allocated to each subject per two-week cycle. Homework will be set on the day of a lesson in that subject and the handing in/completion date agreed between teacher and students. Your daughter is required to record details in her logbook as usual. It is expected that a few days will be allowed for the completion of each assignment thereby providing the opportunity for students to plan their use of time, in each case the teacher will indicate when the work is due and, again, your daughter will be expected to record this.

Students will be expected to meet the agreed deadline and failure to do so will be notified to tutor and parents via the logbook. Any difficulties should be discussed with the teacher in advance of the deadline and, if necessary, with the tutor.

Please return the slip below by Wednesday 16<sup>th</sup> September to indicate that you have received this letter and if you have any questions or concerns regarding this matter, please do not hesitate to contact me.

Yours sincerely,

Mrs M Windeatt  
Student Progress Manager for Year 9

---

**Please return to your daughter's tutor by Wednesday 16<sup>th</sup> September**

I confirm that I have received a copy of the Year 9 homework arrangements for the academic year 2009-2010.
