5th October 2009

Dear Parents

Link to Industry Convention 2009 – Tuesday 20th October 2009

For the past nine years the School has run a very successful Link to Industry Convention (LINC) which is intended to allow Year 9 and Year 12 students an opportunity to obtain an insight into work and to aid them in their future career choices. It will be the first exposure for the Year 9 students to the world of work and they will be using the evening to gather general information. The Year 12 students will be seeking more in-depth information about potential careers and sponsorship opportunities.

A number of national and local businesses have agreed to send representatives and there will also be a chance to seek advice from professional bodies on a one-to-one basis. This year the event is to be held on Tuesday 20th October from 7.00pm to 8.30pm in and around the Hall area of the School. If you would like to attend, please would you complete and return the slip below by Friday 16th October 2009.

May I take this opportunity to ask you to use the Rectory Lane Car Park for this event as we do not have sufficient car parking facilities in the School grounds. Many thanks.

Yours sincerely

J Moore
Co-ordinator of Business and Industrial Links
