

# MAC Remote Access Instructions

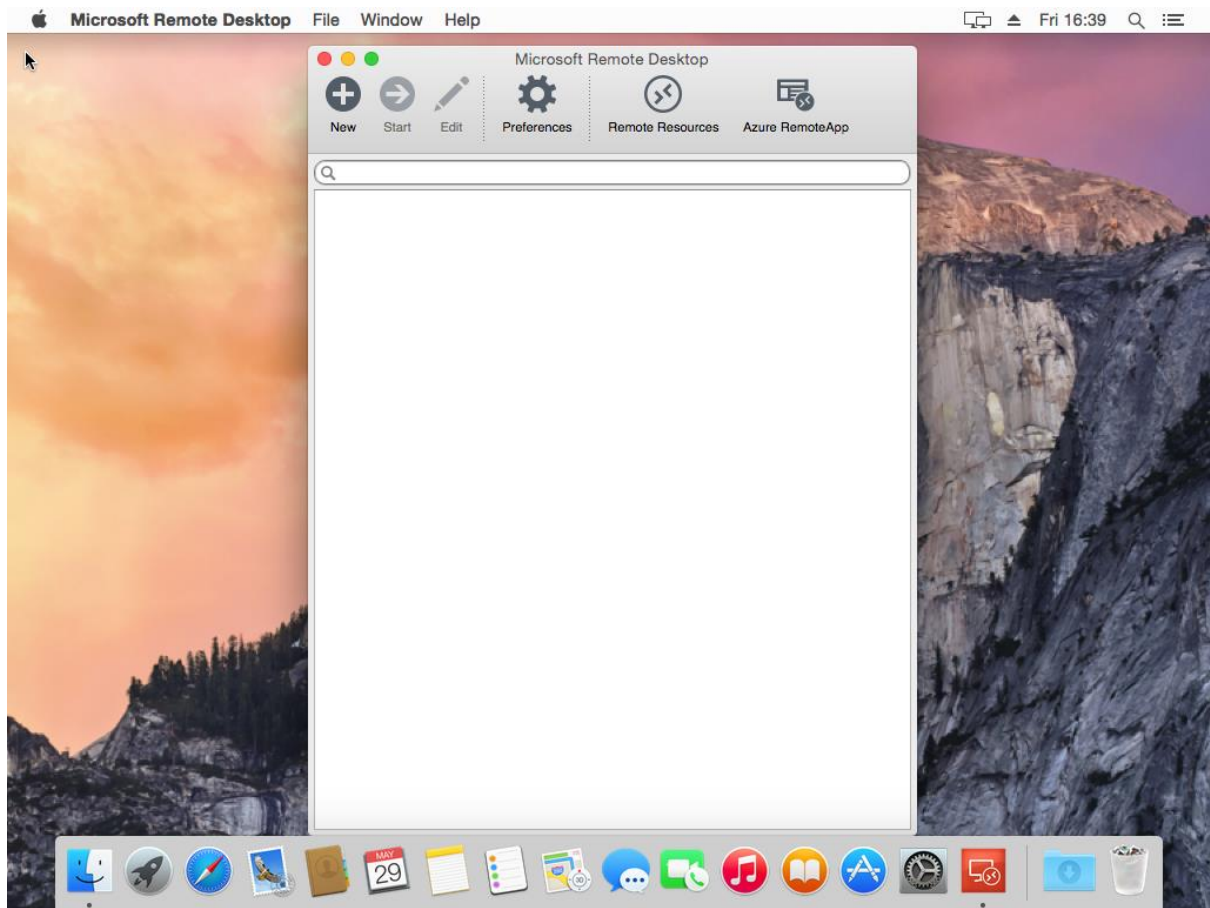

This has been tested on a MAC running Yosemite operating system.

Download and Install 'Microsoft Remote Desktop' from the Mac store, or from this link

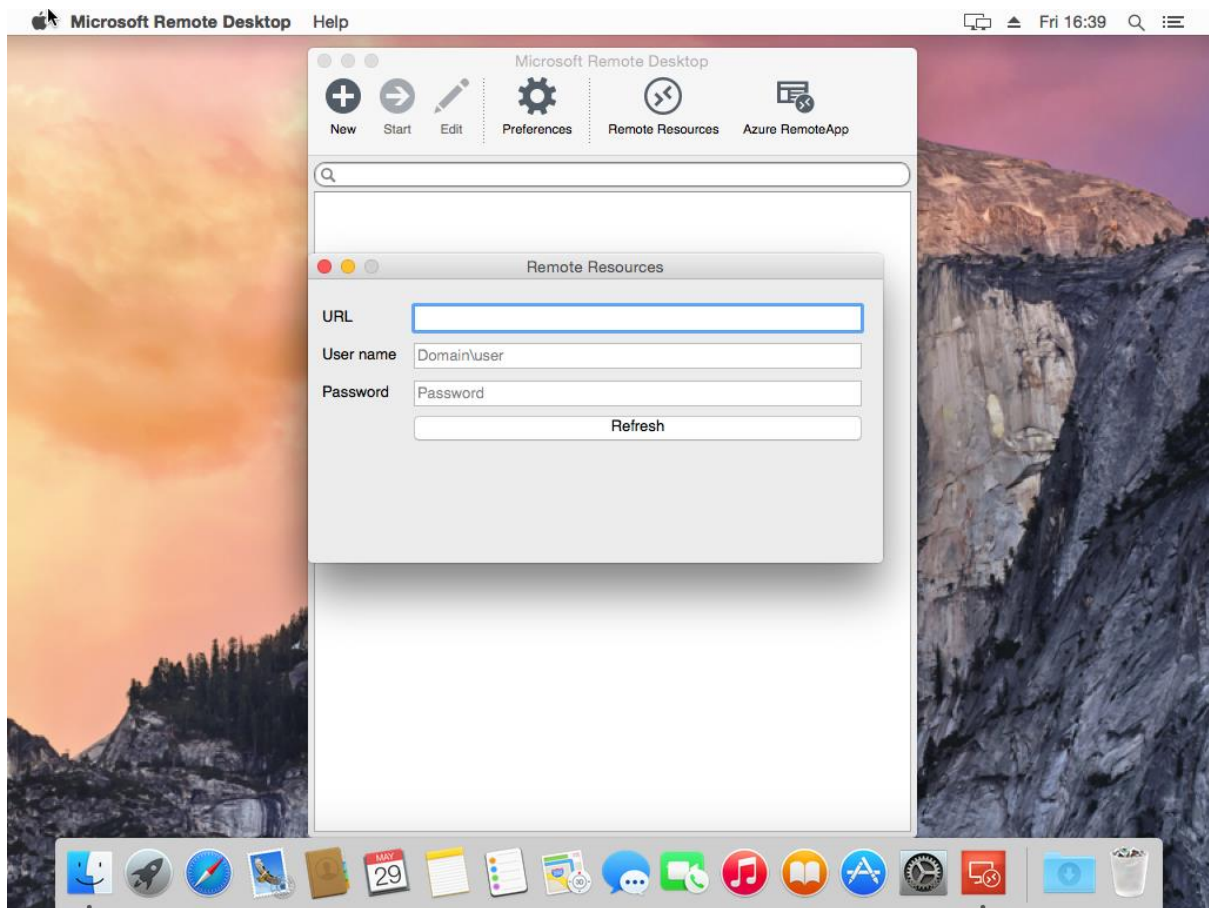

<https://itunes.apple.com/us/app/microsoft-remote-desktop/id715768417?mt=12>

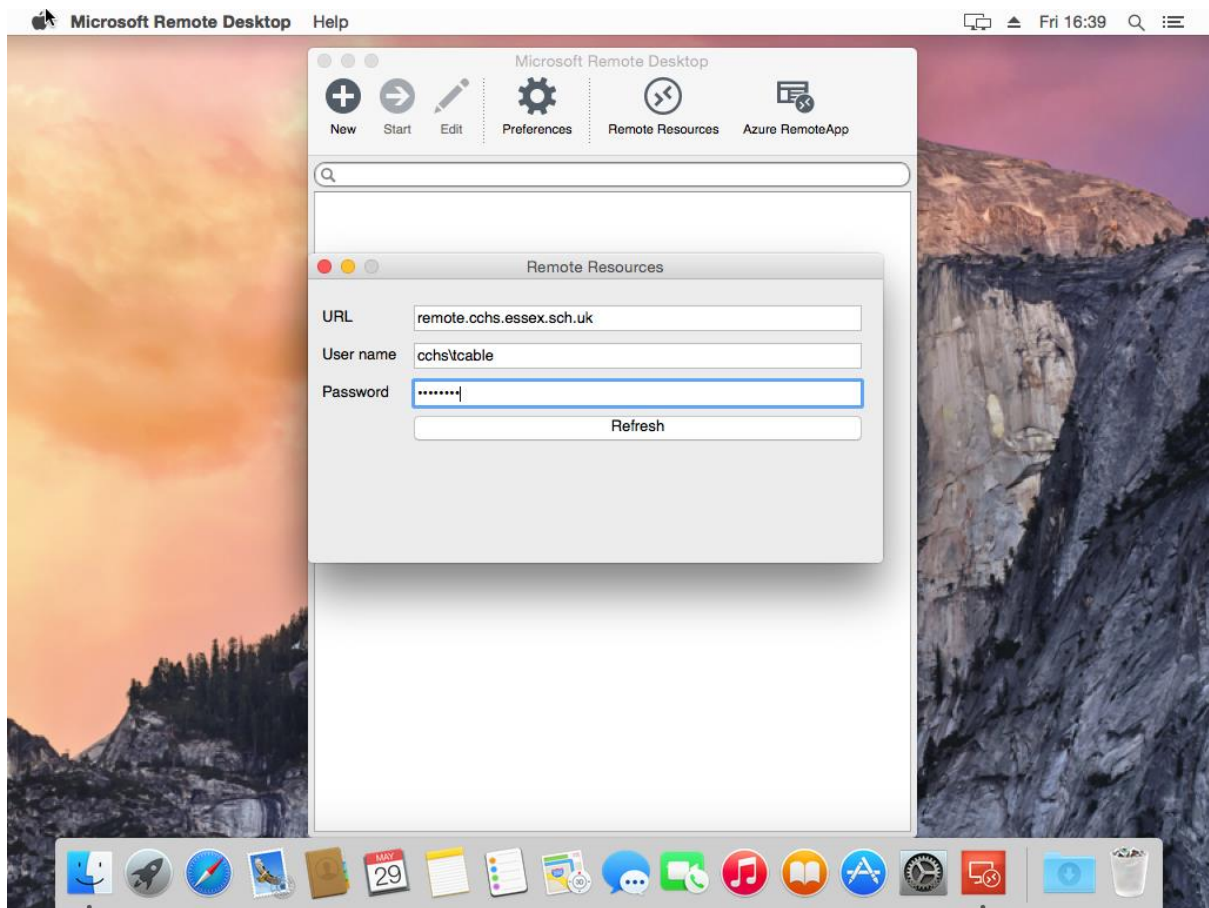

Once downloaded, open it up

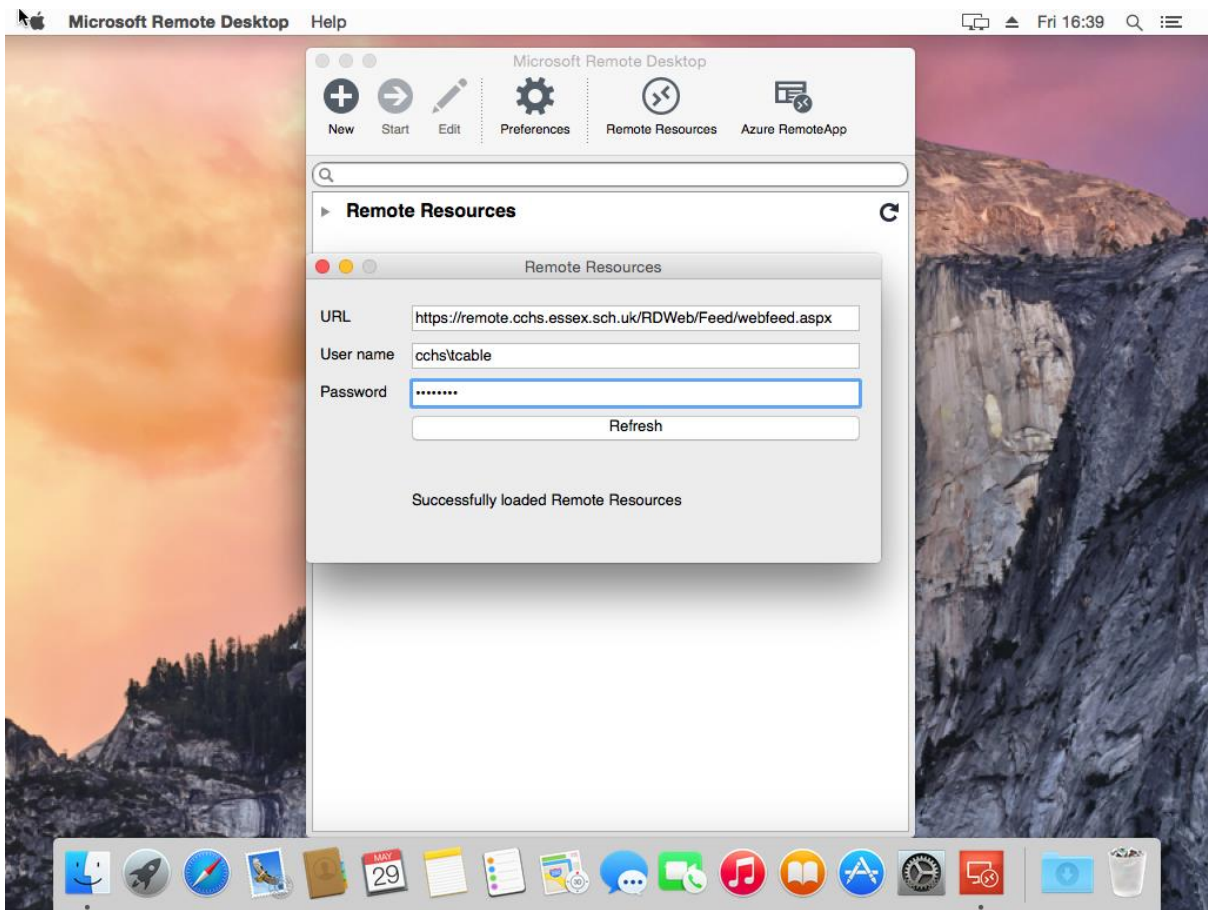

Click on 'Remote Resources'

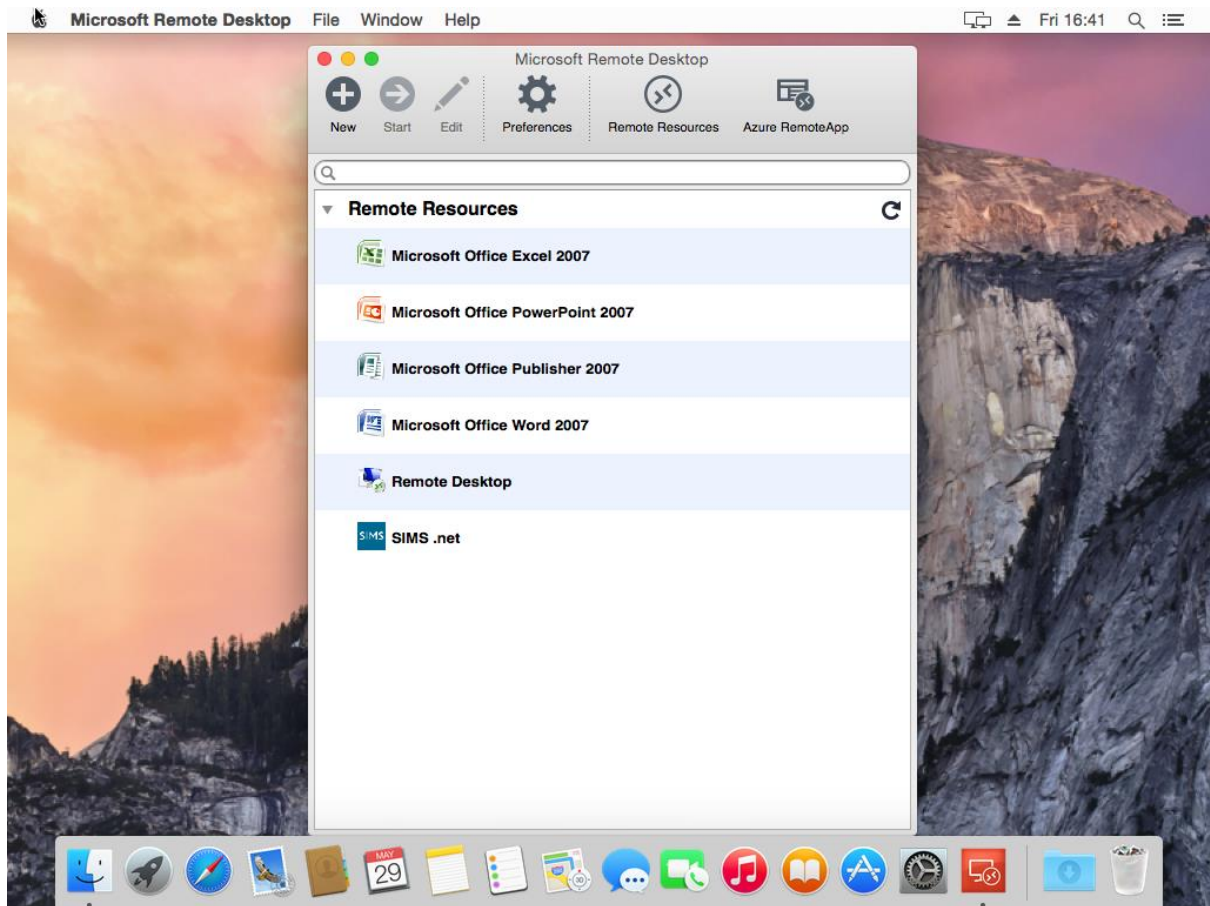

Enter the following information, but substitute the User name and password for your school username and password. Please keep the CCHS\ in the User name, as per the screenshot below.

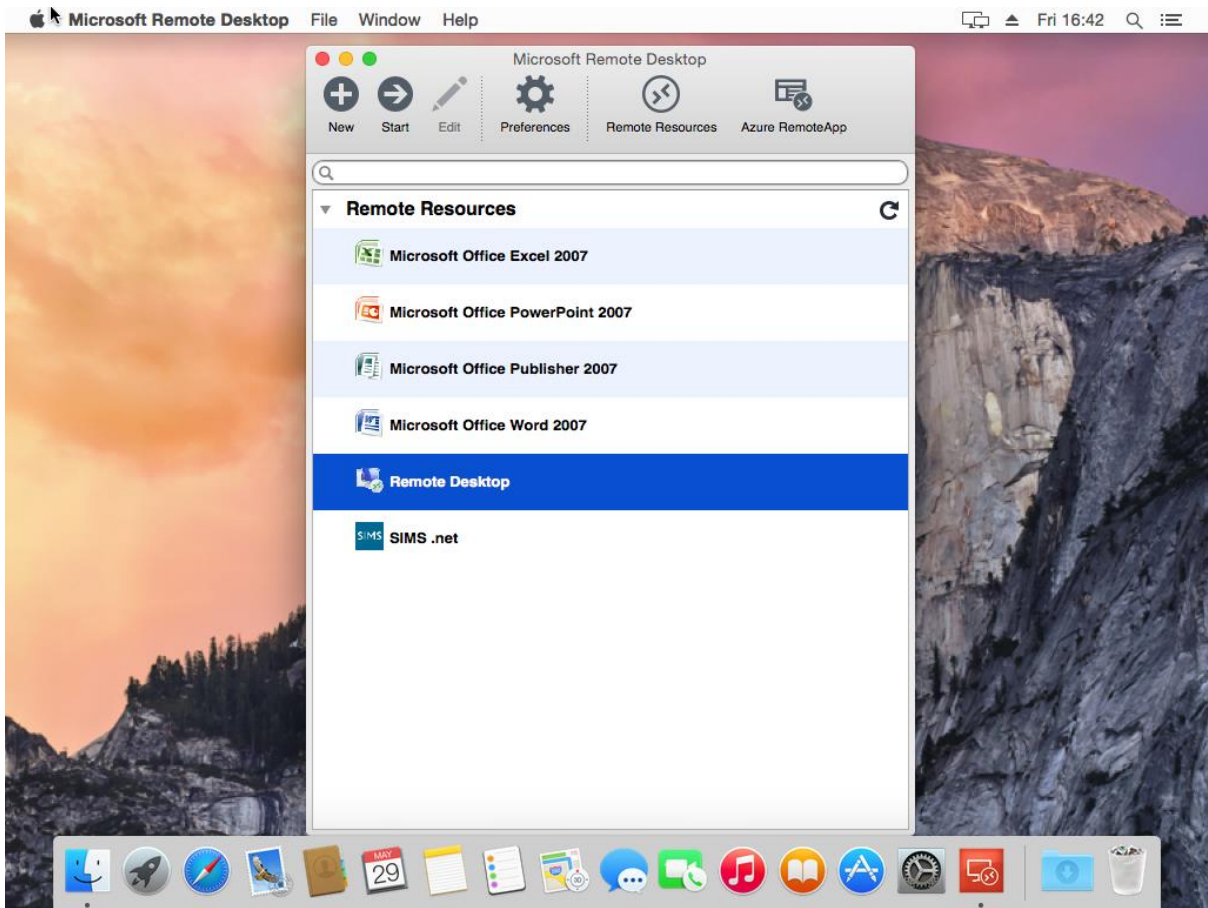

Click on refresh, and you should see a message saying 'Successfully loaded Remote Resources'

You should then get a screen that looks like the below:

Click on 'Remote Desktop' and click 'Start' to launch a remote desktop session.

Connecting RDP ...
