Dear Prospective Applicant

**Appointment of: Teacher of Latin (part-time)**

Thank you for requesting information about the post. Should you decide to apply and be successful you will be joining a school which, from your first visit, will strike you as vibrant, bursting with energy and enthusiasm, and above all a very happy school that celebrated its Centenary Year in 2007. You will also find it useful to visit the school website [www.cchs.co.uk](http://www.cchs.co.uk).

We are rated as an “outstanding” school, a badge we are proud to hold and which applies to all areas of the School’s activities.

Chelmsford County High School for Girls was the first secondary school in Essex to convert to Academy status in January 2011. The status affords us a range of opportunities, which we pursue fully, not only academically, but also in the running of the School as a limited company. The School expanded to 5 forms of entry in 2015 in response to increasing demand for grammar school places in the area.

Our school is led by a strong team of senior staff and governors who are constantly striving for excellence, seizing all opportunities for the benefit of our students and our staff.

We are seeking to appoint a person with the skills, knowledge and experience to complement the team of teachers and leaders. Above all, we are looking for a committed individual with a genuine interest in providing the highest quality in every aspect of the role. Our students deserve the very best we can provide. We believe in the importance of a collaborative approach and a commitment to the team. The successful applicant will benefit from a wide range of experience at our school and above all enjoy working with us.

Thank you for your interest. If you feel that Chelmsford County High School for Girls can provide the challenges and opportunities you are looking for then we would be delighted to hear from you.

Yours faithfully

Nicole Chapman  
Headteacher

## STUDENTS

Chelmsford County High School is a great place to work - our students are motivated, pleasant, courteous, well behaved and enormous fun! They like school, and enjoy learning, achievement is high, and almost all the students go on to Higher Education at the most competitive universities, including Oxford and Cambridge.

## THE SCHOOL

Chelmsford County High School was founded in 1906 as one of the first girls' secondary schools in Essex. In an area where most other schools are all-ability comprehensives, it is a selective grammar school with academy status.

From September 2015 we expanded our intake for Year 7 and Year 12 admitting 150 students per year groups; Years 8-11 and Year 13 remain with 120 students. Nearly all students in Year 11 return for the Sixth Form, and some 30-40 students join Year 12 from other schools. Entry at Year 7 is competitive, with the top 150 students over 900 or more who sit the entrance test being admitted. The School has a large number of "feeder" primary schools, around 80 in any one year group! Entry into the Sixth Form is determined by a strong performance at GCSE which suggests good potential in the subjects chosen for A Level. At present there are 925 students on roll with 236 in the Sixth Form. Our students follow a broad curriculum with equal value attached to each area. We are a Artsmark Gold School working towards Platinum which celebrates the emphasis we put on creativity across the curriculum.

This is not a complacent school. We regularly review our practice, and ensure that classroom methodology is appropriate to the needs of our students. All staff have the opportunity to contribute to whole school planning for improvement through their subject and year teams as well as focus groups, each led by a member of the Senior or Middle Leadership Team.

This is a very busy school which places a strong emphasis on enrichment activities. There is a fine tradition of musical performance, and most students play at least one instrument. There are many orchestras, choirs and ensembles. Drama is also an important enrichment activity, with clubs, and major school productions involving many students. Our sports teams are very successful, as are our individual sportswomen. Our students are lively and talented, as well as being academically able, and we try to provide plenty of opportunities for them. They also run a wide range of clubs or societies such as the Law society and Medical society where they invite speakers or present papers themselves. House activities include some distinctly less serious events, which nonetheless challenge student ingenuity and team-working skills to the full.

In terms of resources and buildings, we have a fine mixture of "traditional", provided by the original main building, and a variety of buildings dating back to different decades of the 20<sup>th</sup> century together with some excellent modern facilities, such as the Music and Languages Centres, good computer provision, including Interactive whiteboards in every classroom. We have some dedicated Sixth Form facilities and a dance/drama studio, an all-weather artificial pitch. A hard working fundraising committee of parents and governors has raised funds for

much of the most recent buildings and we have long term plans for the development of our site.

Governors are highly committed individuals who are generous with their time and the expertise they bring to the School. Parents are very supportive individually or through the Parents' Association, and have, obviously, very high expectations of the School. We have a strong school community which is friendly and welcoming. We trust our students to behave well, and the atmosphere in the School reflects our high expectations of them in this respect.

#### **STAFF**

- ❖ The School currently has a teaching establishment of 68 teachers full-time and part-time staff.
- ❖ There is a non-teaching establishment of 34 Support Staff most of whom are part time, who support teaching and learning in various capacities.
- ❖ The school operates a no-smoking policy.

#### **WE OFFER:**

- ❖ a warm and friendly atmosphere with excellent staff-student relationships
- ❖ the opportunity to work with able and well-motivated students
- ❖ a well-established programme of staff induction and CPD support
- ❖ a flexible environment in which innovation is encouraged

#### **WE ARE LOOKING FOR:**

- ❖ an outstanding teacher at all levels
- ❖ ambitious for the highest standards possible
- ❖ committed to developing the subject beyond the curriculum
- ❖ innovative and forward looking
- ❖ willing to contribute to the life of the school

The Latin department aims to fire students with an enthusiasm for the Latin language, an interest in the society, which used it and a fascination for its linguistic and other links with contemporary society. It aims to give every student an opportunity to appreciate the wealth of culture available to us from the Ancient World.

The Latin department bases the KS3 and KS4 courses on the *Ecce Romani* series of textbooks, supplementing this with additional language and background topics to create a course, which is popular with students, as indicated by the significant numbers opting for GCSE study (at least two groups each year). An average of 10 students will then progress to Sixth Form study. Results are consistently impressive at both levels. We are well resourced with support books and two dedicated classrooms in the Dame Margaret Anstee Centre for Languages, completed in 2013, with access to a variety of ICT resources to aid teaching and learning.

## AIMS OF DEPARTMENT

- a) Ensure that all students acquire an understanding of the structure of the Latin language appropriate to the period in the course and their level of ability.
- b) Encourage students to develop the intellectual skills required to use a range of vocabulary appropriate to the course and their level of ability in a flexible and creative way.
- c) Rouse students' intellectual curiosity so that they use source material to infer, deduce and hypothesise.
- d) Enable students to achieve highly in external examinations, achieving their full potential
- e) Introduce, innovate and trial new materials and approaches which will enrich the students' experience of the subject.
- f) Have in place learning and teaching strategies, which support individuals, maximise the students' strengths, and ensure that, at whatever point a student ceases the study of Latin, she has acquired knowledge and skills, which will enrich her future life.
- g) Aid students to appreciate the multifaceted nature of the subject, enjoy its intrinsic challenge and gain the intellectual satisfaction, which would encourage them to take the subject to the next key stage.

## EXTRACURRICULAR ACTIVITIES

The department runs an annual Enrichment Day activity for Year 8 students, creating a mosaic tile from ceramic tesserae and participating in workshops with Chester's Roman Tours re-enactment group. The department has also run trips to Rome, Naples and Sicily for the Sixth Form and an overnight trip to Bath for Year 10, as well as visits to dramatic productions and academic lectures.

From villages in the heart of the Essex countryside to a bustling town centre offering first class shopping and cricket, the Chelmsford area really does have great deal to offer!

Explore the heritage by visiting Chelmsford's 15<sup>th</sup> Century Cathedral and our two museums in Oaklands Park. Treat the children to a day out at Marsh Farm Country Park in South Woodham Ferrers, simply relax and unwind on the Chelmer and Blackwater Navigation, or dine in one of our many fine restaurants.

From a bustling town centre with excellent shopping and eating facilities to tranquil villages and unspoilt countryside, Chelmsford has the perfect combination of city and country, with a whole host of places to visit for young and old alike.

### THE CITY TODAY

Chelmsford was awarded City status in March 2012 as part of the Queen's Diamond Jubilee and in 2005 it was granted Fairtrade Town status. It has good links with East Anglia and London and is convenient for Stansted Airport, the sea ports of Harwich and Felixstowe.

Situated just 30 miles north east of London, Chelmsford is the perfect base. With excellent road, rail and air communications Chelmsford is well connected to the rest of the UK and Europe. The A12 road runs to the east of the town, meeting the M25 London Orbital near Brentwood. London's Liverpool Street rail station is just 35 minutes away. Despite redevelopment in the past 30 years, Chelmsford retains many glimpses of its past including the old buildings around the cathedral. Established Farmers' Markets and Continental Markets in the High Street bring something a little different to the town.

### HISTORY

The name Chelmsford is Saxon in origin. The town is also mentioned in the Census of 1086 as two settlements beside the River Can - later joined by a bridge. In 1199 King John granted the right to hold a weekly market and by 1250 Chelmsford was a county town. The Blackwater and Chelmer Canal opened in 1797, linking the town to the coast, and the railway came in 1845.

### BUSINESS

Chelmsford is the birthplace of radio broadcasting, Marconi, and has attracted major names in the business world. Anglia Ruskin University offers a broad range of educational opportunities.
