PRIORITY - GCE REVIEW OF MARKING FORM

If the Examinations Office makes an enquiry about the result of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the enquiry about results **you MUST initially liaise with your subject teacher or year leader** to discuss your grade boundaries. If you still wish to pursue an enquiry about results you must then complete and sign the form below. This informs the Examinations Office that you have understood what the outcome might be, and that you give your consent to the enquiry about results being made.
