Chelmsford County High School for Girls
16 - 19 Bursary Fund Application

The Government 16 -19 Bursary Scheme is intended to assist students to continue in full time education, and will be managed internally by the school.

Who will be eligible for a bursary in the Government Scheme?

There are two ways in which you may qualify for a bursary:

1. **Students in defined vulnerable groups.** Students in defined vulnerable groups are eligible for a bursary of up to £1,200 per year provided that they can demonstrate need for the money. These groups are:
 - a. **Students in care.**
 - b. **Students who are care leavers.**
 - c. **Students receiving Income Support or Universal Credit because they are financially supporting themselves and someone who is dependent on them and living with them such as a child or partner.**
 - d. **Students receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.**

Any student in one of these categories should notify the Head of Sixth Form and provide a statement outlining their need for a bursary payment of a sum up to £1,200.

2. **Students whose financial situation is such that they need assistance to meet the costs of transport, meals, books, school trips and suchlike are eligible to apply for a 'Discretionary Bursary'.**

To qualify, you must be aged under 19 on the 31st of August in the academic year in which you start your programme of study and a legal resident of the UK or registered asylum seeker. There will be three levels of bursary and you may only apply for **ONE**:

Level 1. Those most in need, such as young people in care, care leavers, young people receiving Income Support and disabled young people receiving both Employment Support Allowance and Disability Living Allowance can apply for a bursary of up to £1,200 per year as noted above.

Level 2. This bursary can be allocated to students who need support to overcome financial barriers which might prevent them continuing in full time education. This bursary is for students who received Free School Meals in Year 11 and continue to be eligible for Free School Meals in the Sixth Form. See the Free School Meals Qualifying Criteria on page 2.

Level 3. This level of bursary is for students with a financial need who do not fall into the above categories.

Applications for bursaries must state the identifiable financial need and must provide evidence to support this.

The criterion for any support at Level 2 or Level 3 is a total household income of less than £26,500 p.a., with no additional income available from another household to support the student. Documentary evidence is required. The Committee has the discretion to review/approve applications where the household income exceeds our threshold by up to 5%.

The awards will be dependent on adherence to the Sixth Form Contract, excellent attendance (a minimum attendance of 90% will be expected, with all absence properly authorised), as well as excellent application and conduct.

N.B. The money which covers bursary payment to schools for discretionary bursaries is a fixed sum and our allocation does not change on a per student basis. CCHS may have to vary the amounts of these bursaries to deal fairly with the numbers of eligible students in the Sixth Form. The school is entitled to retain a proportion of the fund to allow emergency payments to be made to students during the year.

If I am in one of the eligible groups, what evidence will the School need to see?

If you are receiving Income Support in your own right, you should provide a letter from the Department of Work and Pensions setting out the benefit you are entitled to. If you are in care or a care leaver, the Local Authority will be able to provide a letter for the School confirming this. If you have any other financial needs, you will need to provide documentary evidence of your need for financial support for level 2 and 3 bursaries. Evidence relating to Free School Meal eligibility and household income will be required.

Free School Meals Qualifying Criteria

The children of parents or guardians receiving the following benefits are eligible for Free School Meals:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

How Will the Payments Be Made?

Payments will normally be made directly to students' own bank accounts by bank transfer. However the school may make payments in kind. 'In kind' payments may include the purchase of travel passes or the purchase of a specific piece of equipment for a student to use. Any equipment so purchased will remain the property of the school and should be returned to the school on the completion of the student's Sixth Form studies.

The school will normally make payments on a regular basis throughout the bursary period rather than as a lump sum.

How Should I Apply?

You should apply to the Sixth Form Administration Office as soon as possible. The closing date for application is Friday 27th September 2019.

The Government Bursary Scheme Allocation Panel will sit in October to assess each claim and authorise payments. Our Government Bursary Scheme Allocation Panel will comprise the Headteacher, the Head of Sixth Form, the Business Manager and a member of the Governing Body.

Payments will be made to students after the Panel has met in October (one third of the annual fund) and February (two thirds of the annual fund). Students whose applications are approved will be monitored and evaluated throughout the year and reports given to the Government Bursary Scheme Allocation Panel regarding students failing to meet the conditions of the grant.

For Level 1 bursaries you should contact the Head of Sixth Form and attach a statement of need outlining the use to which you would put funds up to the ceiling of £1,200.

For Level 2 and Level 3 discretionary bursaries you will need to complete the Application Form attached to this policy and provide supporting documentary evidence. Please return in a sealed envelope marked 'Confidential' to the Sixth Form Administration Office.

If an application for a discretionary bursary is not successful there is no reason why a student may not reapply in the future if their circumstances change. Any change need not be large.

If any information on the application form or given to the School in support of the application is later found to be falsified, the School will seek a full refund of any bursary grants made and the appropriate authorities will be informed.
