# Equality, Diversity & Inclusion Policy

## Introduction

At Chelmsford County High School for Girls (CCHS), we are committed to ensuring equality of education and opportunity for all, and welcome students, staff, parents, carers, visitors and governors, irrespective of race, disability, religion and belief, or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity, and able to participate fully in school life, as a valued member of our community.

As part of our commitment to change@cchs we are members of Equality and Diversity's Schools Network. Equality and Diversity UK is a specialist training company focussing on equality and diversity in the private, public and voluntary sectors. As part of their school's network we are able to access up to date resources, advice on equality and diversity and a quarterly publication which includes news and features about Equality, Diversity and Inclusion. We are also committed to ongoing CPD, supporting our colleagues with resources and training to ensure that our understanding of the key issues is current and our commitment to equality is honoured.

We believe that the Equality Act 2010 (which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975), provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. This includes upholding our obligations not to discriminate directly or indirectly on the grounds of the protected characteristics.

It is against the law to discriminate against someone because of:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation
- any other bias

Furthermore, by fulfilling our Public Sector Equality Duty, we have due regard to the need to:

- eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- foster good relations between people who share a protected characteristic and people who do not share it.

Having due regard to the need to advance equality of opportunity involves considering the need to:

- remove or minimise disadvantages suffered by people due to their protected characteristics;
- meet the needs of people with protected characteristics; and
- encourage people with protected characteristics to participate in public life or in other activities where their participation is low.

### **Policy Aims**

The School recognises the benefits of being a diverse community, made up of individuals who value one another and the different contributions everyone can make. We promote an inclusive ethos and prepare our students for life in a diverse society by encouraging an appreciation of the enriching opportunities that this brings. Students are taught to value and respect each other, to question assumptions and stereotypes, and to recognise and challenge all forms of prejudice.

### **Policy in practice**

Our school community provides equality of opportunity for *all* to ensure:

- We recognize and celebrate diversity within our community whilst promoting community cohesion

- That no-one is unfairly or illegally disadvantaged on the grounds of the protected characteristics or other bias
- That we promote attitudes and values that will challenge discriminatory behaviour, stereotypes, bias or prejudice
- That steps are taken to meet disabled people's needs, even if it requires more favourable treatment.

Our school community provides equality of opportunity for *all students* to ensure:

- That social and academic progress is achieved
- That all learners have equal access to a rich, broad, balanced and relevant curriculum
- That teaching and learning promotes equality, celebrates diversity and fosters community cohesion

## **Admissions and Recruitment**

### Admissions

CCHS accepts applications from and admits students in line with its admissions policy, but irrespective of student's race, disability, sexual orientation, religion or belief or special educational needs and will not discriminate on these grounds in the terms in which a place is offered.

### Recruitment

CCHS will treat all applications in a fair, open-minded way. Every application will be considered irrespective of the protected characteristics or special educational needs.

## **Disability and Special Educational Needs**

We will take positive and proportionate action to address the disadvantage faced by people with a disability by reducing and removing inequalities and barriers that may already exist. Our buildings are fully accessible, with accessible toilets located for both students and adults on each floor. There are lifts within the school that give access to most teaching spaces, and where this is not possible, adaptations with regards to rooming is considered a priority. Where the acoustics in the building are not suitable for those with hearing impairments, timetable adjustments are made accordingly.

We maintain and drive a positive culture towards inclusion of disabled people and those with special educational needs in all aspects of CCHS life and will not treat a member of our community less favourably on these grounds.

Students and parents of students with Special Educational Needs and Disabilities are directed towards the details within our SEND policy for objectives, aims and details regarding its implementation.

## **Roles and Responsibilities**

It is recognised that everyone in the school community influences how equality, diversity and inclusion is achieved and everyone has a responsibility to uphold the law and principles of equality of opportunity.

### Reporting of incidents

When incidents of a discriminatory nature occur, it is our collective responsibility to challenge and intervene positively.

### Responding to and Reporting Incidents

It should be clear to students and staff how they report incidents. All staff, teaching and support staff should view dealing with incidents as vital to the well-being of the whole school.

## **Complaints**

If you believe that you have received less favourable treatment on any of the unlawful grounds listed earlier in the policy then please contact one of the senior staff at the School.

If you continue to feel that the complaint has not been dealt with appropriately then you should raise the matter through CCHS's formal complaints procedure, referring to the Complaints Policy for guidance.

In line with legislative requirements, all reported breaches of this policy will be recorded and reviewed alongside the policy itself, annually.

The school will make every effort to protect employees from discrimination and all concerns raised with the school will be handled in a positive and sensitive manner and in accordance with the appropriate policy/procedure.

Your employer will fulfil its obligations to protect their staff from inappropriate conduct and where it does occur, will offer and provide where needed, support to employees. Support may take the form of:

- Counselling
