## MESSAGE FROM MR LAWLOR

### Parent Survey

Thank you to all the parents who completed the survey that we ran during the second half of the Summer Term. We asked for feedback on a number of areas: ethos, pastoral, curriculum, and teaching & learning. Overall, 94% of responses were positive about our practice, provision and services.

Many of you very kindly also provided us with some written feedback. The overall picture is very positive, which is most encouraging for our school community; a testament to the hard work of our students, the professionalism of staff and the support provided by parents and families. We are a proud school; but not perfect, of course, and you have provided us with helpful feedback to inform our development work this academic year and beyond. Thank you for your feedback and encouragement, as we continue to work together to move forward.

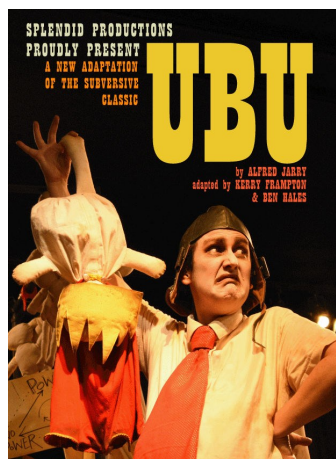

## CCHS Sixth Form Open Evening Thursday 14th October 2021, 5-8pm

We look forward to welcoming you to our annual Sixth Form Open Evening – an opportunity to visit subject displays, hear from our expert A level teachers and attend formal talks at 6pm and 7pm

**Excellence | Support | Opportunity | Achievement | A 'sixth form experience like no other'**

# SPLENDID PRODUCTIONS

On Tuesday we welcomed Splendid Productions who brought us their adaptation of UBU by Alfred Jarry. Key Stage 4 and 5 Drama students were treated to this hour long production, with those students in Key Stage 5 also taking part in a theatre workshop.

Both Year 12 and 13 students explored the production through workshops on the style of Epic Theatre and the work of Bertolt Brecht. It was absolutely wonderful to have live theatre back in our school, and it was a experience enjoyed by all.

## AMAZING ACHIEVEMENTS

Rishika in 8F is cutting 45cm off her hair for Action Aid. Rishika hair is currently 60cm long and she is cutting 50cm off and giving it to cancer support.

Rishika target is to raise £150 over the next couple of weeks and will be cutting her hair off in roughly 2 weeks' time. If you would like to support her please click on the link: <https://gofund.me/>

Elizaveta in 8C has just got back from the first of many Gymnastic Camps. The camp went really well and it's the first camp since the pandemic. Liza is now in the pre-junior squad with only 6 girls in this squad out of the whole of the UK. Next year Liza is hoping to get in to the British Squad. CCHS and year 8 are extremely proud of what you have achieved so far and are sending you lots of luck for the future.

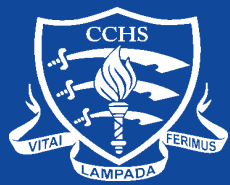

Congratulations to our U15 tennis team (Akshaya, Diya, Niva, Camille) and their coach, Miss Burnham, who have reached the Regional final of the LTA Youth Schools National Championships.

Amazing achievement by all involved and best of luck for the final!

Rosie in 8A was selected to play for Essex Golf U18's East Region Team Event on Sunday 19th September. She shot 6 under her handicap and came second overall with 42 points. Essex won the Team Event and are now the U18 East Region Champions. Huge congratulations to Rosie, CCHS and year 8 are very proud of you.

## Community Project - Future Fest

During our journey together as a school community, since March 2020, we have devised, contributed to, shared and celebrated four community projects: Creative Fest, Declaration of Humanity, Enlightenment Fest, and the CCHS Community Curriculum.

At the start of this significant academic year, with students, staff, parents and alumnae ready to embrace new opportunities and fresh starts, our collective minds are fixed on what could/should be. With this progressive focus and ambitious energy, I think we should look to a new community project: **Future Fest**.

I invite you to reflect and share your thoughts, hopes and dreams for the future, in the service of energising and inspiring our community with a will to optimism and a call to action. Let us look to the days, weeks and months ahead with imagination, ambition and verve.

Possible considerations:

- What are you looking forward to this year?
- What will you relish, given the disruption and compromises of the past months?
- What will you dedicate yourself to in order to realise an ambition?
- What will you do to help others?
- What issue/cause will you contribute your energy, heart and intellect to?

Possible formats:

You might choose to share your reflection as a piece of prose, a poem, a song, a monologue, a painting or drawing, or another medium.

Whatever you choose to focus on and however you choose to communicate it, we look forward to receiving your contributions. We will then collate and publish them as community assemblies to share these future-focused reflections with the CCHS community.

Thank you, in advance, for participating in this community project. Please submit your contributions to: [FutureFest@cchs.essex.sch.uk](mailto:FutureFest@cchs.essex.sch.uk)

## McLaren Technology Centre Visit

September 2021

CCHS finalists were rewarded with a visit to the McLaren Technology Centre in Woking, Surrey, to celebrate their success in the CyberFirst Girls Competition, run by the National Cyber Security Centre – a part of GCHQ.

The girls heard from inspirational speakers, took part in a codebreaking relay challenge, and went on a scavenger hunt tour of the McLaren site, where they were given the opportunity to get up close to the world's best cars. They had a fantastic day where they experienced the experience of luxury VIP hospitality.
