

MESSAGE FROM MR LAWLOR

We were delighted to welcome 40 Years 4-5 pupils from 6 local primary schools to CCHS on Thursday, as part of our outreach work. Pupils took part in a range of STEM activities across the day including: looking for microorganisms under a microscope, burning different fuel sources with a Bunsen burner, designing and building their own rollercoaster, and creating a computer programme using Micro: Bits. The primary pupils were thoroughly joyous and enthusiastic throughout the entire day and feedback was extremely positive. Special thanks to Mrs Brown for her impressive organisation of the day, the creative and passionate teachers: Mrs Manning, Mrs Busby, Dr Cannon and Mrs Khan, who lead the lessons, our superb science technicians: Mrs Hurley, Mr Whatson, Mrs Jordan and Mrs Lodge, and our wonderful Year 8 students who made our guests feel incredibly welcome and demonstrated what fantastic role models they are. A fun time was had by all!

AMAZING ACHIEVEMENTS

Congratulations to Katie (8A) and Harriet (8G) for being selected again this year to play in Essex U13 academy hockey squad.

We are pleased to report that Sasha in Year 13 has this afternoon been awarded 'Commended' in the extremely prestigious Foye Young Poets Competition.

Well done Rose, Year 11!

We are so proud of Rose (Yr11), who will be performing with the Essex Youth Choir at Ely Cathedral in a few weeks - it will be a wonderful experience for a very talented singer.

Well done to Ananya in Year 8 who has donated her hair to the Little Princess Trust and Likhita in Year 9 who has donated 30cm of her hair to the Locks of Love charity.

Last September the students participated in their training and practice expedition for their Duke of Edinburgh Silver Award.

The Friday consisted of pre-expedition training at the school, they learnt about navigation, emergency procedures, first aid, personal kit, and food to bring on the day. On Saturday they began their practice expedition in Little Baddow. Normally the participants would camp overnight however due to Covid-19 restrictions, things were a little different.

They practised their campcraft skills by setting up tents and used Trangia stoves to cook a meal and they cooked as individuals rather than as a team to ensure social distancing measures were met. Everything was then packed up and they went home for the evening.

They returned on Sunday morning and walked independently completing their practice expedition.

On 21st, 22nd and 23rd June 2021 our students completed their Qualifying Expedition and due to restrictions being more relaxed they were able to spend two nights in the Chiltern Hills. Our expedition provider, Adventure Expeditions, commented on how amazing our students were, all of them were extremely well behaved and always listened and followed instructions. We were exceptionally proud of them.

During the pandemic our students persevered and managed to complete their Volunteering, Physical and Skills activities. They had to amend the activities due to Covid-19 restrictions, from originally volunteering in a Library, they helped to home school a sibling or even got shopping for an elderly neighbour. We are so incredibly proud of our students and would like to celebrate their achievement especially during these hard times.

CCHS AND KEGS YEAR 8 DRAMA SOCIETY

We are excited to announce a collaborative Drama Society between the Drama Departments at KEGS and CCHS. We are looking for Year 8 students with a keen interest in Drama to join us for a weekly session of games, activities and an exploration of Drama based improvisations and scripts.

The society will be led by Key Stage 5 students from both CCHS and KEGS, and will take place at both schools on alternate weeks, starting at KEGS on Wednesday 3rd November. Sessions will take place afterschool between 4pm and 5pm, and will be supervised by staff from both schools.

If your daughter would be interested in attending, please ask her to sign up on the notice board outside the Drama Studio.
