Inspiring the leaders of tomorrow to think for themselves and act for others

MESSAGE FROM MR LAWLOR

We held our New Staff Induction Day on Tuesday. It was lovely to welcome the colleagues who will be joining us in September, as we continue to recruit as a growing school. We were fortunate to benefit from an excellent inclusion and diversity training session on Thursday afternoon, delivered by two of our School Development Leaders.

Last year we reformed our faculty system, with Faculty Leaders becoming School Development Leaders: Miss Pocock, Mr Harvey, Mr Lodge, Mr Carter and Mr Rowell. These five senior middle leaders drive important work forward in our school in relation to teaching & learning and broader school initiatives, including our change@cchs project.

On Thursday 9th June Ophelia (7F) travelled with her international cheerleading team, Stealth from Oblivion Allstars to Barcelona to compete in an international cheerleading competition. There were teams from across Europe competing. They had a fantastic competition and came 2nd overall after achieving the highest score of their season!

To top off a fantastic trip, they were lucky enough to be awarded a prestigious bid place to represent the U.K. on behalf of Future Cheer in Orlando, Florida next year at Summit. Summit is the biggest global competition for junior level cheerleading in the world and where the top flight athletes go to compete if their programme is chosen to represent their country and cheerleading body.

Congratulations Ophelia!

Rosie (8A) had a great win in the Essex Golf Union competition at Braintree Golf Club on Sunday. She won on countback with 35 points.

Well done Rosie!

Khalen (11G) has been highly commended in the Oxford University French Flash Fiction competition, Years 7-11 category. This annual competition invites secondary school pupils to write a short story of no more than 110 words in French.

There were over 800 entries to the competition this year and the judges were extremely impressed with the hard work and creativity that went into writing a piece of fiction in a different language.

Katherinegrace (Y12) has been successful in securing a two-day residential as part of the

Leeds University Linguastars Languages Residential for French. She will stay there overnight and take part in a variety of workshops. This is an amazing opportunity!

Congratulations Katherinegrace!

The deadline to make a payment

EveryChildOnline™

Huge thanks to @EverychildUK for their donation of IT equipment to us today
- Mr Lawlor and some of our Year 7 students personally took delivery of the items!

"There are schools throughout the country struggling to provide effective home learning to their poorer pupils. Despite teachers efforts, kids without a computer or online access are getting behind on their studies, they simply do not have the same access to online educational resources as their wealthier friends. With your support, Every Child Online's goal is to help close this educational gap and ensure all our children have the correct equipment to learn from home. We need the support of UK companies and individuals, supporting our funding efforts and donating your unused equipment will have a tremendous impact on the education of our children." - Every Child Online

Today, in celebration of Pride Month, students at CCHS celebrated and learnt about the Pride movement.

As well as flying the 'Progress Pride' flag outside the school, students learnt about the origins of the Pride movement during an assembly put together by Year 12 Diversity Prefects and Senior Prefects.

This was followed by a successful charity cake and badge sale at lunchtime. Happy Pride Month to everyone!

Parent Governor Election

Following a Parent Governor Election ballot that closed last week, we can advise that Dr Svetlana Warhurst has been duly elected as a new Parent Governor for a four-year term of office with effect from 10th June 2022.

On Friday 8th of July, the PA is supporting the CCHS Sixth Form Festival. We need 4 volunteers to set up a refreshment stall outside and sell refreshments during the afternoon and pack up afterwards. It's often very busy, especially if the weather is hot. It's a fun event for our Sixth Form girls which the PA supports every year. Helpers can park by the side of Seymour House Day Nursery near to the school.

Chelmsford PhysicsFest 2022

The Institute of Physics is hosting a family fun day called PhysicsFest, an afternoon of interactive and educational engagement for children of all ages, and is inspired entirely by experiments. The event is completely free and open to the public. Visitors will have the opportunity to try out lots of interesting and engaging activities, mostly hands-on, with 6th form physics students on hand to explain what is going on in each experiment. This year the event is being held at King Edward VI Grammar School on Sunday 26th June, from 1pm to 4pm.
