

# CCHS *Laudatio*

25th March 2022

*Inspiring the leaders of tomorrow to think for themselves and act for others*

## MESSAGE FROM MR LAWLOR

We officially opened our new buildings on Wednesday afternoon. We were joined by our special guests, Mrs Chapman, Mrs Gulliver and Mr Moore, along with colleagues and friends of the school. We provide some photos here of the event. These wonderful buildings are a testament to the hard work, vision and tenacity of staff and governors, and will serve and support generations of CCHS students.

## Cricket Winners!

The school's U13 Cricket team WON the Essex Schools Indoor Cricket Competition at the Essex County Cricket Indoor School on Wednesday 23rd March.

CCHS v New Hall in the Final! CCHS Captain Harriet won the toss and decided to bowl first and yet another excellent bowling and fielding performance restricted New Hall to 53 for 7. Harriet and Sarah opened the batting and got us off to a good start and ably supported by Rosie, Jasmine and Lily took us past their score at 54 for 3 with 3 overs to spare.

A fantastic performance by all the team but especially from Harriet who not only bowled and batted brilliantly but also won Player of The Tournament. The team now go on to represent Essex in the East Region U13 Indoor Cricket Finals at Cambridge University on April 27th. Well done to Harriet, Sarah, Rosie, Lily, Jasmine, Elizabeth, Eleanor, Sophie, Ananya and Dia.

## Kings Road Primary School Visit

On Wednesday morning Mrs Lewis and Mrs Maslin visited Kings Road Primary School as part of our Primary Outreach work. They were joined by Avani and Anoushka from 7G and two of our Senior Prefects, Tara and Jessica. It was Avani's primary school, so she was very excited to be going back!

They met with x30 Year 5 pupils to have a chat with them about what life was like at CCHS and how the Entrance Test works should they wish to apply. The primary pupils asked great questions – “what are the teachers like?”, “do you get much homework?”, “how many classrooms are there?” and of course “what is the food like?!”.

Our Senior Prefects then set the pupils some questions and puzzles – the girls loved this and they were so proud of themselves when they got the questions right. Important and wonderful work by our colleagues and students, who really enjoyed meeting the brilliant staff and pupils of Kings Road Primary School.

We're recruiting for:

## Examination Invigilators

Due to the continued growth of our school, we are recruiting for examination invigilators to assist with both internal and external examinations, which occur throughout the academic year.

As part of a friendly invigilator team, you will assist in the organisation and delivery of examinations under JCQ regulations. Regular training is provided with continual support from our experienced invigilators. CCHS offers an enjoyable working environment with students keen to learn and supportive colleagues.

Please visit our website for more information and an application form:

Examinations Invigilator - Chelmsford County High School for Girls ([cchs.co.uk](http://cchs.co.uk))

*Applications will be assessed upon receipt and, if successfully shortlisted for interview, candidates will be invited to attend an interview shortly afterwards, therefore we encourage applications in advance of the deadline date.*
