Inspiring the leaders of tomorrow to think for themselves and act for others

MESSAGE FROM MR LAWLOR

Congratulations to all our students for their hard work and achievements this half-term. Thank you, as ever, to our hard-working colleagues across the school and to parents for your support and encouragement of our work with your daughters.

When we return for the remainder of this term, and academic year, our Year 11 and Year 13 students will continue with their public examinations – credit to them all for their commitment and industry.

There will be events to look forward to after the half-term break, including the Cabaret Concert. Also, we will be inviting the former students who did not have an opportunity to attend a formal Speech Day at the Cathedral in 2020 or 2021, due to pandemic-related disruption, to attend an afternoon event (a garden party) in school to allow them to see the new buildings and have an opportunity to meet each other again and catch up with staff.

Best wishes to all CCHS families for the half-term break.

The Duke of Edinburgh's Gold Award

Good luck to the twenty five Year 12 students taking part in their Gold Award practice expedition this weekend. Through a series of after school training sessions they have refreshed their expedition skills, learning how to interpret OS Maps; use compass bearings; manage risk; expedition first aid; and how to use camping equipment such as Trangias. They will now be putting these skills into practice, journeying across the South Downs countryside over three days. We hope they have a fantastic experience and are keeping our fingers crossed for some lovely weather too!

Thank you to Miss Vigrass for all her work supporting the girls.

German Department Update

A number of CCHS students took part in the Anthea Bell Prize translation competition, run by Oxford University earlier this year. They received over 3,200 submissions from more than 260 schools and 14,000 pupils took part in the competition task alone in 2022.

A team of undergraduates and professional translators have judged entries to the competition. The judges were very impressed by the standard of entries, they read some excellent translations.

We are delighted that two of our students were winners in their age categories for German translation for the East of England area.

Congratulations to Mariella (12VCA and Maria (11H).

Area winners will be put through to the national competition, the result of which will be announced at the beginning of June.

Further congratulations go to Mariella (12VCA) as she has also won the essay competition for Year 12-13 in the 10th Oxford German Olympiad, run by the Oxford German Network.

She planned a conference on the future of the sustainability of the river Rhein. She was also runner up in the same competition writing a 350 word blog post about a quote that inspires her.

In other news, a Year 11 and Year 12 student were successfully selected for online virtual summer courses being run by the UK German Connection. We wish them the best of luck.

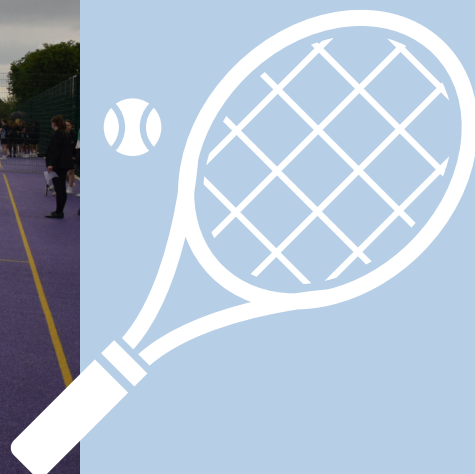

Congratulations

The CCHS Parents' Association raises funds to support the school by arranging events such as the Christmas Fair, lottery, quiz nights and by helping out at other events just as concerts and parent meetings. We now need some extra help during these events and would welcome some volunteers to join our volunteer list. We appreciate that parents are busy people, but we also know that even a small contribution of your time and energy can significantly contribute to the PA's efforts to provide exciting and fun fundraising events for our CCHS community.
