Inspiring the leaders of tomorrow to think for themselves and act for others

MESSAGE FROM MR LAWLOR

We enjoyed a wonderful Celebration Day with our brilliant Year 11 students today, before they embark on their study leave and GCSE examinations. They have worked hard and positively with their teachers and have been a great support to each other as a year group – full credit to them all. Thank you to their Tutor Team and congratulations to Mrs Chumbley – this is the third Year 11 cohort she has led, in a row, including year groups through the CAGs and TAGs processes over the last two years.

Liza, 8C

Congratulations to Liza in Year 8 who recently competed in Romania at the 21st Irina Deleanu Cup. Liza was representing Great Britain and achieved places in all of her routines. Well done Liza - we are all incredibly proud!

Mock Magistrates' Competition

On Wednesday, a team of Years 8 and 9 students competed in the Mock Magistrates Competition. It was a fiercely fought contest with excellent performances from our students on both sides of the case. They represented the school well and all had a great time.

The students involved were:

Ama, Anushka, Charvi, Devanshi, Fatima, Likhita, Megan, Nynesha, Prethika, Rosie, Sara, Sarah and Sneha.

The team were fantastically supported by Year 12 students Amelia, Tara and Daisy in practice sessions and during the competition itself.

Mrs Selden, Mr Copper and Mr Carter led the work on the competition and were supported by parent and coach Mr Mark Summers.

News from the Drama & Music Departments

We are pleased to inform you that next year's school production will be **Little Shop of Horrors**. We will be holding Years 7-10 auditions in the next half term, with Year 11 (who will become Year 12) auditions taking place when they return after the summer break.

More details are to follow in due course; but we are all very excited for what I think will be a really fantastic school production.
