CCHS Parent Survey Highlights

My daughter is prepared to take tests and assessments

★★★★★ Strongly Agree ★★★★ Agree ★★★ Partly Agree ★★ Partly Disagree ★ Disagree

“The induction seminar for parents was brilliant. All the teachers came across warm, compassionate and enthusiastic about their field and we came away knowing our child was in capable hands. It was great to know that you care not only for the academic lives of the children but also their mental health. We have also enjoyed the online extra support for parents. The induction for the girls was really good too. My daughter went in so confidently after taking part in the sports sessions and the other induction activities organised.”

“Extracurricular provision and leadership opportunities are great”

“Students are encouraged to be themselves and not compromise or alter their personality to fit in - difference is valued”

“Motivation and enthusiasm of staff, academic rigour, overall organisation”

“Positive ethos. Lots of opportunities. Clear focus on encouraging women leaders. Excellent communication with parents through weekly newsletter and messages.”
