## MESSAGE FROM MR LAWLOR

It has been wonderful to welcome so many parents to the school in this initial phase of the term. We have held our Year 8 Meet the Tutor Evening, Year 12 Welcome Evening, New Parents' (Year 7) Welcome Evening, and yesterday we had our KS4 Information Evening for the parents of Year 10 students.

Next week we will hold our Sixth Open Evening for students in Year 11, and their parents, as well students from other schools who are keen to join our Sixth Form next year. Our first big educational trip of the year took place this week, with Miss Pocock and her team taking Year 11 Geographers to Snowdonia for their field work activities and data collection. Congratulations to the students and thank you to staff for all their hard work.

We were delighted to welcome colleagues from the Jack Petchey Foundation to our school on Thursday, to work with Year 10 students throughout the day on the 'Speak Out Challenge' project. Well done to all Year 10 students and thank you to Mr Carter and the English Department for organising this important opportunity for students. We are always striving to enhance our strong pastoral systems, and thanks to the work and commitment of Mrs Hiett, Assistant Head of Sixth Form, we now have a formal provision to support young carers, which has been recognised and accredited by the Children's Society with their 'Young Carers in Schools Bronze Award.'

## the Oxford Scientist

Manaal's (13JBR) entry into The Oxford Scientist Schools Competition, "The Great Future Innovations of Small-Scale Science" has been chosen as runner up.

This passed with flying colours in each of the 5 rounds of assessment and was favoured by the panel of Oxford University professors making it a runner-up. The essay will be placed online in the coming weeks as a top essay here: [oxsci.org/category/schools/](http://oxsci.org/category/schools/)

This nationwide competition runs once a term led by an Oxford University Society, Students and judged by Oxford University professors. The link to the competition can be found here: <http://oxsci.org/schools/>

We host a Zoom/Teams Call for the Overall Winner and Runner-ups to provide written feedback from the judges including a Nobel Prize-winning marker - Sir Peter Ratcliffe. The marking for this one took a particularly long time due to some of the notable names of the markers.
