

# Year 9 Options Process

The purpose of this document, is to provide you with all of the information you need, to support your child through the Year 9 Options Process.

The nature of the CCHS Key Stage 4 Curriculum, is that it is:

## Broad, Balanced & Challenging

Your child is now at the point of their educational journey, here at CCHS, where they are looking to specialise in subjects that: will help them continue along their path towards **future aspirations**, that will enable them to fulfil their potential and harness their **talents**, or simply enable them to obtain further **opportunity** for depth and exploration, in a subject that they **enjoy**. All, or any of these reasons, are important to bear in mind when supporting your child with their subject choices.

### All students will study the Core Curriculum

English Language	English Literature	Mathematics
Biology	Chemistry	Physics
Core PE (3hrs per fortnight in Years 10&11)		Core RS (1hr per fortnight in Year 10, then integrated in to PSHE)

Students will also select one subject from each of the following four columns
