

KS5 Curriculum: Latin

Curriculum Vision

OCR A-Level Latin H443

Not to know what has been transacted in former times is to be always a child. If no use is made of the labours of past ages, the world must remain always in the infancy of knowledge.

Marcus Tullius Cicero

The study of the Ancient World provides a wealth of culture for investigation. The Latin Department aims to fire students with an enthusiasm for the Latin language, both for its own sake, and to provide the key to accessing the people and customs which have shaped their own society. At KS5, we will build upon the skills and knowledge learned throughout KS4, to provide students with the confidence to tackle the material required for GCSE examination, including unseen translation and comprehension, and analysis of set texts by Roman authors.

Assessment and Feedback

All students will:

- Have at least one piece of assessed work reviewed by their teacher per half-term (this increases to two pieces of assessed work if students receive five or more taught hours per fortnight).
- Receive feedback which outlines how they should develop their learning. This feedback should be summative, highlighting both key strengths and key areas for development in students' work.
- Be given the opportunity to act upon their feedback in a structured task. This task should then be reviewed again by the subject teacher. A review of this task can act as the second assessed task.
