Dear Prospective Applicant

Appointment of: Education Support Officer

Thank you for requesting information about the above post. Should you decide to apply and be successful you will be joining a school which, from your first visit, will strike you as vibrant, bursting with energy and enthusiasm, and above all a very happy school that celebrated its Centenary Year in 2007. You will also find it useful to visit the school website www.cchs.co.uk.

Chelmsford County High School for Girls has been a single academy trust since 2011. This status offers us a range of opportunities to pursue academic goals whilst running the school as a limited company. The School expanded to 6 forms of entry in September 2020 in response to increasing demand for grammar school places in the area.

The School was awarded a substantial Government grant in 2018 which was conditional on the School developing its existing strategies of working with local primary schools to encourage and support girls from disadvantaged backgrounds sitting our entrance test and securing a place. To that effect we have amended our Admissions Policy and committed to reserving up to 30 places for girls in receipt of Pupil Premium and Free School meals whose results fall within the top two bands.

Our school is led by a strong team of senior staff and governors who are constantly striving for excellence, seizing all opportunities for the benefit of our students and our staff. Staff and students work very effectively together, achieving outstanding results. For example, The Sunday Times Parent Power Guide 2024 shows the following for CCHS:

- 1st in East Anglia, state girls' schools
- 3rd in East Anglia, all state schools
- 4th nationally, state girls' schools
- 10th nationally for GCSEs, all state schools
- 12th nationally for A levels and GCSEs, all state schools

We are seeking to appoint a person with the skills, knowledge, and experience to complement the team of teachers and leaders. Above all, we are looking for a committed individual with a genuine interest in providing the highest quality in every aspect of the role. Our students deserve the very best we can provide. We believe in the importance of a collaborative approach and a commitment to the team. The successful applicant will benefit from a wide range of experience at our school and above all enjoy working with us.

If you feel that Chelmsford County High School for Girls can provide the challenges and opportunities that you are looking for, then we would be delighted to hear from you.

Yours faithfully,
Stephen Lawlor, Headteacher

Introduction

Chelmsford County High School is a great place to work with a caring ethos – our students are motivated, pleasant, courteous, well-behaved, and enormous fun! They like school, and enjoy learning, achievement is high, and almost all the students go on to Higher Education at the most competitive universities, including Oxford and Cambridge.

THE SCHOOL

Chelmsford County High School was founded in 1906 as one of the first girls' secondary schools in Essex. In an area where most other schools are all-ability comprehensives, it is a selective grammar school with academy status.

In September 2020, we expanded our intake for Year 7 admitting 180 students per year alongside the 150 students in Year 12. Most of our students in Year 11 return for the Sixth Form, and some 30-40 students join Year 12 from other schools. Entry at Year 7 is highly competitive: in accordance with our Admissions Policy we offer places to the 180 girls who meet our criteria, out of the 1,300 or more who sit the entrance test. The School has a large number of "feeder" primary schools, around 80 in any one year group! Entry into the Sixth Form is determined by a strong performance at GCSE, which suggests good potential in the subjects chosen for A Level. Our students follow a broad curriculum with equal value attached to each subject area. We are proud to have been awarded an Artsmark Gold Award, which celebrates the emphasis we put on creativity across the curriculum.

This is not a complacent school. We regularly review our practice, and ensure that classroom methodology is appropriate to the needs of our students. All staff have the opportunity to contribute to whole school planning for improvement through their subject and year teams as well as focus groups, each led by a member of the Senior or Middle Leadership Team.

This is a very busy school, which places a strong emphasis on enrichment activities. There is a fine tradition of musical performance, and most students play at least one instrument. There are many orchestras, choirs and ensembles.

Drama is also an important enrichment activity, with clubs, and major school productions involving many students. Our sports teams are very successful, as are our individual

sportswomen. Our students are lively and talented, as well as being academically able, and we try to provide plenty of opportunities for them. They also run a wide range of clubs or societies such as the Law Society and Medical Society where they invite speakers or present papers themselves. House activities include some distinctly less serious events, which nonetheless challenge student ingenuity. As a girls' school we challenge gender stereotypes and place great importance in presenting our students with a wide range of opportunities beyond the taught curriculum, this includes involvement in many STEM activities and competitions.

In terms of resources and buildings, we have a fine mixture of "traditional", provided by the original main building, and a variety of buildings dating back to different decades of the last century together with some excellent modern facilities, such as the Music and Languages Centres. There is good computer provision, including interactive whiteboards in every classroom. We have dedicated Sixth Form facilities, a drama studio, an all-weather artificial pitch and a lecture room where we run a programme of academic lectures. In September 2021 we opened a new Sports Centre with dance studio and fitness suite, and a new teaching block containing additional science laboratories and classrooms.

Governors are highly committed individuals who are generous with their time and the expertise they bring to the School. Parents are very supportive individually or through the Parents' Association, and have, obviously, very high expectations of the School. We have a strong school community, which is friendly and welcoming. We trust our students to behave well, and the atmosphere in the School reflects our high expectations of them in this respect.

- ❖ The School currently has a **teaching establishment** of 48 full-time and 47 part-time staff.

About Chelmsford

Situated just 30 miles northeast of London, Chelmsford is the perfect base, with excellent road, rail and air communications. The A12 runs to the east of the town, meeting the M25 near Brentwood, with London's Liverpool Street railway station, and Stansted Airport 30 minutes away, respectively. From a bustling town centre with excellent shopping and eating facilities, to tranquil villages, unspoilt countryside and coast, Chelmsford is the perfect combination of city and country.

Chelmsford took the top spot in the 2018 Sunday Times Best Places to Live guide. In the guide, which ranks towns on factors including jobs, broadband speed, culture, community spirit and local shops, Chelmsford ranked Best Place to live in the East as it is also home to several excellent state schools, and the Anglia Ruskin University.

Despite redevelopment in the past 30 years, Chelmsford retains many glimpses of its past. It was awarded City status in 2012. Mentioned in the Census of 1086 as two settlements beside the River Can, later joined by a bridge, it became the County town in 1250. The Blackwater and Chelmer Navigation Canal opened in 1797, linking the town to the coast, and the railway came in 1843. Chelmsford is the renowned birthplace of radio; Marconi began broadcasting in 1895, and the city has attracted major names in the business world ever since.

The town centre benefitted from some investment recently with John Lewis, and many more high-class shops located in the new Bond Street.
