- All Enrichment day activities are offered to all students, as are the Year 7 Mountfitchet and Pantomime trips. Other trips are available to students who study certain subjects or who (as for Duke of Edinburgh or the Magistrates Court Competition) are selected to take part.
- Throughout each year the Music Department offers a number of opportunities for students to perform in the community or to work with visiting professionals.
- There is a rich diet of PE fixtures in a range of sports on offer to all year groups.
- Other trips are offered each year to specific groups when the school becomes aware of opportunities.
