Dear Prospective Applicant

### **Appointment of Teacher of Religious Studies**

Thank you for your interest in applying for the above post. Should you decide to apply and be successful you will be joining a school which, from your first visit, will strike you as vibrant, bursting with energy and enthusiasm, and above all a very happy school that celebrated its Centenary Year in 2007. You will also find it useful to visit the school website [www.cchs.co.uk](http://www.cchs.co.uk).

Chelmsford County High School for Girls has been a single academy trust since 2011. This status offers us a range of opportunities to pursue academic goals whilst running the school as a limited company. The School expanded to 6 forms of entry in September 2020 in response to increasing demand for grammar school places in the area. This expansion was completed in September 2024, with Sixth Form numbers rising to over 320 students.

The School was awarded a substantial Government grant in 2018 which was conditional on the School developing its existing strategies of working with local primary schools to encourage and support girls from disadvantaged backgrounds sitting our entrance test and securing a place. To that effect we have amended our Admissions Policy and committed to reserving up to 30 places for girls in receipt of Pupil Premium and Free School meals whose results fall within the top two bands.

Our most recent Ofsted Inspection took place in January 2024, with the school being judged "Outstanding" in all categories. In September 2024, the school was accredited with the NACE (National Association for Able Children in Education) Challenge Award, in recognition of excellence in provision for more able learners.

Our school is led by a strong team of senior staff and trustees who are constantly striving for excellence, seizing all opportunities for the benefit of our students and our staff. Staff and students work very effectively together, achieving outstanding results. For example, The Sunday Times Parent Power Guide 2025 shows the following for CCHS:

- 1<sup>st</sup> in East Anglia, state girls' schools
- 3<sup>rd</sup> in East Anglia, all state schools
- 6<sup>th</sup> nationally, state girls' schools
- 20<sup>th</sup> nationally for A levels and GCSEs, all state schools

With our growing Sixth Form and the outstanding success of the CCHS Religious Studies Department, an opportunity has arisen to join our highly experienced team. We are seeking to appoint a person with the skills, knowledge, and experience to complement the existing team of teachers and leaders. Above all, we are looking for a committed individual with a genuine interest in providing the highest quality in every aspect of the role. Our students deserve the very best we can provide. We believe in the importance of a collaborative approach and a commitment to the team. The successful applicant will benefit from a wide range of experience at our school and above all enjoy working with us.

If you feel that Chelmsford County High School for Girls can provide the challenges and opportunities you are looking for, then we would be delighted to hear from you.

Yours faithfully,

Stephen Lawlor, Headteacher

## STUDENTS

Chelmsford County High School is a great place to work with a caring ethos – our students are motivated, pleasant, courteous, well-behaved and enormous fun! They like school, and enjoy learning, achievement is high, and almost all the students go on to Higher Education at the most competitive universities, including Oxford and Cambridge.

## THE SCHOOL

Chelmsford County High School was founded in 1906 as one of the first girls' secondary schools in Essex. In an area where most other schools are all-ability comprehensives, it is a selective grammar school with academy status.

In September 2020, we expanded our intake for Year 7 admitting 180 students per year alongside the 150 students in Year 12. Most of our students in Year 11 return for the Sixth Form, and some 30-40 students join Year 12 from other schools. Entry at Year 7 is highly competitive: in accordance with our Admissions Policy, we offer places to the 180 girls who meet our criteria, out of the 1,300 or more who sit the entrance test. The School has a large number of "feeder" primary schools, around 80 in any one year group! Entry into the Sixth Form is determined by a strong performance at GCSE, which suggests good potential in the subjects chosen for A Level. At present, there are 1275 students on roll with 375 in the Sixth Form. Our students follow a broad curriculum with equal value attached to each subject area. We have been awarded an Artsmark Gold Award, which celebrates the emphasis we put on creativity across the curriculum.

This is not a complacent school. We regularly review our practice, and ensure that classroom methodology is appropriate to the needs of our students. All staff have the opportunity to contribute to whole school planning for improvement through their subject and year teams as well as focus groups, each led by a member of the Senior or Middle Leadership Team.

This is a very busy school, which places a strong emphasis on enrichment activities. There is a fine tradition of musical performance, and most students play at least one instrument. There are many orchestras, choirs and ensembles. Drama is also an important enrichment activity,

with clubs, and major school productions involving many students. Our sports teams are very successful, as are our individual sportswomen. Our students are lively and talented, as well as being academically able, and we try to provide plenty of opportunities for them. They also run a wide range of clubs or societies such as the Law society and Medical society where they invite speakers or present papers themselves. House activities include some distinctly less serious events, which nonetheless challenge student ingenuity. As a girls' school we challenge gender stereotypes and place great importance in presenting our students with a wide range of opportunities beyond the taught curriculum, this includes involvement in many STEM activities and competitions.

In terms of resources and buildings, we have a fine mixture of "traditional", provided by the original main building, and a variety of buildings dating back to different decades of the last century together with some excellent modern facilities, such as the Music and Languages Centres. There is good computer provision, including interactive whiteboards in every classroom. We have dedicated Sixth Form facilities, a drama studio, an all-weather artificial pitch and a lecture room where we run a programme of academic lectures. In September 2021 we opened a new Sports Hall with dance studio and fitness suite, and a new teaching block containing additional science laboratories and classrooms.

Trustees are highly committed individuals who are generous with their time and the expertise they bring to the School. Parents are very supportive individually or through the Parents' Association, and have, obviously, very high expectations of the School. We have a strong school community, which is friendly and welcoming. We trust our students to behave well, and the atmosphere in the School reflects our high expectations of them in this respect.

## Background of the R.S. Department

---

The Religious Studies department is a popular and successful department within the School. Students throughout the school perform strongly with results at both GCSE and A Level are well above the national average.

At KS3 students follow a course inspired by the 2024 Essex agreed syllabus; at KS4 all students follow a Core RS scheme with a third of them opting for the full GCSE course. We currently follow the AQA GCSE RS syllabus, with a focus on the religions of Christianity and Buddhism. Sixth Form uptake of the subject is rising with a good number of students pursuing philosophy, ethics and theology related degrees at university. We follow the OCR A Level Religious Studies course which incorporates modules in Philosophy, Ethics and Christian Theology.

The ethos of the RS Department is to empower students to become critical thinkers, good researchers and articulate interlocutors. Where they are studying World Faiths we intend that they learn both about and from religion. Students are encouraged to be philosophers and ethicists rather than merely informed commentators who simply meet examination requirements. Lessons are pitched to stretch the most able within the class whilst supporting those who find the subject challenging. Lessons will often go well beyond the confines of the basic curriculum or examination specification and teachers within the department model excellent subject knowledge and open-minded enquiry. Frequently, those studying RS or Philosophy in the Sixth Form will be looking to study Philosophy, Ethics or Theology at university including Oxford and Cambridge and so teaching and learning reflects this aspiration.

The RS Department is based in the central building of the school, with an office space for staff and two dedicated RS classrooms, both equipped with SMART boards. The use of technology and other creative teaching strategies are encouraged.

The RS Department is a member of the dynamic and collaborative Humanities teaching group made up of the RS, Geography and History departments.

### **Chelmsford, Essex, named best place to live in the east of England 2025**

[Alexandra Goss](#)

Friday March 21 2025, 6.00am, The Sunday Times

Chelmsford has always been a safe if slightly unsexy bet, but now the city has some funk to go along with its form and function making CM1 our regional No 1. Regeneration and investment over recent years have given the place a new spring in its step. This year the first station in more than a century to be built on the Great Eastern Main Line, the £195 million Beaulieu Park, will open, running between Norwich and London Liverpool Street. Trains will whizz from a new district northeast of the city centre into London in 40 minutes, relieving pressure on the main station, from where you can get into the capital in half an hour.

There's housebuilding everywhere and, last year, almost one in four buyers in the city were from the capital, according to Hamptons estate agency. The 610-acre, 3,600-home Beaulieu Park development was named Great Neighbourhood 2024 in the Academy of Urbanism Awards, with the judges praising the diverse travel options, sustainable housing and community-driven design. There's a vibrant neighbourhood hub with shops, a new net-zero school and 176 acres of public open green space; future plans include 26 acres of football pitches, allotments and an orchard.

Although Chelmsford's shopping and café scene is dominated by chains – Gail's moved in last year, with predictable queues for a £4 flat white – there's a growing number of buzzy eateries and cool, independent bars stocking local, sustainable produce. The cultural clout has increased dramatically. The theatre underwent a £3.25 million refurbishment in 2023 and now lands West End hits. There's also a more diverse and challenging range of shows, plus international film screenings. The city has a lively art scene, including a street art festival, while you can admire works from local boy Grayson Perry at the excellent Chelmsford Museum.

#### **What are the best shops and restaurants in Chelmsford?**

The centre has all the big-name chains you could desire (and some you really won't). There's a new Flannels department store, while the upmarket Bond Street has a John Lewis and brands such as the White Company, Foyles, Hotel Chocolat and an Everyman cinema. Plans have been submitted to demolish parts of the Meadows shopping centre and build hundreds of homes as well as a retail, commercial and leisure complex.

The new Cornish Bakery sells brioche buns alongside tortillas, scones and, of course, pasties, while Central Park Cafe is a must for dog-lovers – they'll even organise a pawty for your pooch. For brunch, there's Queenies; Fête serves excellent coffee and Taste of Italy is the place for pizza. For a special occasion, it has to be the award-winning Galvin Green Man, just north of the city.

In the 1980s and 1990s, Duke's nightclub was the stuff of legend and Chelmsford is now carving out a new music and bar scene near the main station. The Instagram account [@thebestofchelmsford](#) keeps locals abreast of what's new. Music venue and social enterprise Hot Box Live opened in the viaducts in 2016 and has been joined by Radio City Social, a craft brewery taproom and rock music venue. Thirst Drinks Syndicate serves specialty coffee by day and wine and spirits by night. And Hopsters on Moulsham Street sells craft ale and runs the Chelmsford Craft Beer Festival at the end of March.

### Where can I travel to?

The fastest train reaches London Liverpool Street in 29 minutes, you can drive to Stansted airport in half an hour and the capital is easily accessible on the A12. Locals are spoiled for lovely walks, from Chelmer Valley Local Nature Reserve to RHS Garden Hyde Hall and the 574 acres of Hylands Park.

### What is the mobile coverage in Chelmsford?

Good – a strong signal from the four main network providers.

How fast is the broadband?

Overall Gigabit availability is similar to Saffron Walden, but 35 per cent of homes have a choice of two full fibre networks and that is growing.

### What are the best schools in Chelmsford?

Several state primaries appear in [the Sunday Times Parent Power guide](#), as does the private New Hall School, which goes from nursery to age 18 (prep day fees from £13,068 a year; boarding from £28,899). Chelmsford's selective grammars are a huge draw: King Edward VI Grammar School, boys only until sixth form, is the Parent Power State Secondary School of the Year in East Anglia 2025, while Chelmsford County High School for Girls is not far behind in terms of A-Level and GCSE results.

### Where is the best area to live?

Beaulieu Park has a range of property sizes in sensitive local vernaculars – a two-bedroom house starts at about £375,000 – and the medical centre is scheduled to open soon. If you prefer a period property closer to the city centre, Springfield Road has handsome Georgian and Victorian houses, the largest of which cost more than £1 million.

What are the house prices in Chelmsford?

Average property price: £468,400

Source: Halifax using Land Registry data

Despite redevelopment in the past 30 years, Chelmsford retains many glimpses of its past. It was awarded City status in 2012. Mentioned in the Census of 1086 as two settlements beside the River Can, later joined by a bridge, it became the County town in 1250. The Blackwater and Chelmer Navigation Canal opened in 1797, linking the town to the coast, and the railway came in 1843. Chelmsford is the renowned birthplace of radio; Marconi began broadcasting in 1895, and the city has attracted major names in the business world ever since.
