

## ADMISSIONS:

- Admission in Year 7 is through our Entrance test which is administered by CEM and encourages girls from all backgrounds to apply. Around 743 girls sat the test at CCHS in Year 6 for 180 places. Of those 180 students, 80% are admitted from the proximity list and live within 12.5 miles of the school. The other 20% have no proximity restriction.
- The admissions policy for 2021 allows for the highest priority to be given to the top thirty applicants, in receipt of Pupil Premium or LAC or previously LAC, who achieved a score within the top or middle bands and live within the 12.5 mile priority area.

*\*In line with DFE COVID guidelines, the Entrance Test was moved from September to October. As a consequent the Entrance Test results were not received by parents until after the CAF deadline, meaning school selections were made without knowledge of the Entrance Test result.*
