Overall the current TA for this cohort mirrors the previous academic year at this point. There has been a significant uplift in the %7-9 grades which implies a positive trajectory following a period of remote learning. **Please note** that data has been compared to TA2 rather than TA3 in previous years. **Art** have noted that their %7-9 has been impacted negatively due to lockdown and students needing support to catch up. Significant increase has been noted in **RS**. **Catch Up Curriculum and GCSE intervention** sessions are in place for all subjects, parents have been notified.
