NOTE - USUAL DECISION NEEDED

Please note that the STPCD TLR 1 range is now £9,782 to £16,553.

CCHS only added a TLR 1A in recent years and was its own bespoke figure, we just added a similar jump from the TLR 1C to 1B.

Our TLR 1A is therefore £2,281 below the current STPCD maximum possible.

We no longer have anyone on a TLR 1A and so could now match the STPCD figure, if desired, or just leave it lower to match the other 5.5% increase.
